Building or Remodeling in King County?

Recyclable construction & demolition (C&D) materials from construction projects are REQUIRED to be recycled. Separate these materials from other construction waste.

C&D RECYCLABLES
Take these materials to a designated recycling facility

- Asphalt Concrete/Paving
- Drywall/Gypsum (new, unpainted)
- Brick
- Wood (unpainted, untreated)
- Metal
- Wire
- Cardboard

Designated C&D Recycling Facilities accept recyclable C&D materials and mixed loads

C&D WASTE
Depending on your vehicle type, either take C&D waste to a C&D transfer station or to a King County transfer station.

- Insulation
- Painted and Treated Wood
- Railroad Ties and Creosoted Timbers
- Carpet
- Roofing
- Countertops
- Painted Drywall
- Composite Cement Siding
- Veneer

Vehicle Restrictions at King County Transfer Stations
Dump bed vehicles and dump bed trailers with loads of C&D are not accepted at King County Transfer Stations. They must use C&D recycling facilities or C&D transfer stations listed on the back of this flyer.

For additional information, call 206-477-4466

King County Transfer Stations
See locations on the back.

For information on C&D requirements visit www.greentools.us.
To locate companies recycling specific commodities visit the "What Do I Do With...?" database by doing a web search for "King County WDIDW".

Alternate formats available upon request. 206-477-4466, TTY Relay: 711
