Closure of SE 3rd Street
Bellevue Influent Trunk Project
Юго-восточная 3-я улица будет перекрыта

Closure of SE 3rd Street

Starting early this month, King County's contractor will be closing access to SE 3rd Street between 102nd Avenue SE and Bellevue Way SE to progress with pipeline work. In order to safely complete this work, the contractor must close SE 3rd Street to through traffic. Local and emergency access will be maintained (cars will enter from 102nd Avenue SE once the contractor is near Bellevue Way SE). During non-work hours, one lane of SE 3rd Street will be open and a westbound traffic detour will be in place.

Those with work occurring directly in front of their driveways (limiting access) will be provided 48 hours notice in advance of work. Parking restrictions will continue to be in place on SE 3rd Street and pedestrian access will be restricted to the sidewalk on the north side of SE 3rd Street.

Crews anticipate that the closure and associated work on SE 3rd Street between 102nd Avenue SE and Bellevue Way SE will last for approximately one month.

Additional Work

The contractor is also preparing for restoration of sidewalks on the northern half of 102nd Avenue SE (between SE 6th Street and SE 3rd Street). Starting Monday, December 5th, conduit will be relocated on the east side of 102nd Avenue SE to allow for future sidewalk work. Driveway impacts are anticipated and 48-hour advance notice will be provided.

What you can expect:

- Work hours between 7 a.m. and 6 p.m. Monday to Friday, and 9 a.m. to 6 p.m. on Saturday (when necessary).
- Closure of SE 3rd Street between 102nd Avenue SE and at Bellevue Way SE; local access maintained.
- Restricted parking on SE 3rd Street.
- Pedestrian access will be limited on SE 3rd Street in work area (to northern sidewalk).
- SE 6th Street will remain open during the closure of SE 3rd Street.
- Noise and activity typical of construction: work crews, heavy machinery, dust, and trucks.
- Traffic control and flaggers onsite daily to manage traffic flow, pedestrian crossings, and local access.
- Emergency vehicle access maintained at all times and coordination with other public services.
