

King County

Department of Natural Resources and Parks
Wastewater Treatment Division

Fremont Siphon Replacement Project

Community Meeting

Tuesday, November 13, 2012

Fremont Abbey Arts Center

4272 Fremont Ave North, Seattle, WA 98103

5:30 p.m. – 8:00 p.m.

Meeting Purpose

King County's project team will host a meeting to provide the community and project stakeholders an update on the Fremont Siphon Replacement Project. The project team will provide updates on environmental review, progress on proposed locations of construction activities, and discuss restoration of affected project areas and the design decision process. The team will also present next steps in the project and upcoming opportunities for public participation.

The goal of the public meeting is to provide the community and project stakeholders with an opportunity to give timely input on design details and learn about project progress and milestones. Information gained from the community will help inform future project decisions.

Agenda
