

# FREMONT SIPHON

replacement project

King County

Department of  
Natural Resources and Parks  
Wastewater Treatment Division

## Community Design Workshop

Saturday, January 12, 2013 - 10 a.m. to 2 p.m.

B.F. Day Elementary School - 3921 Linden Ave North, Seattle, WA 98103

### Workshop Purpose

Participants will work with the project team and neighbors to develop a landscape and architecture vision for the Fremont Siphon Replacement Project. The purpose of this community design workshop is to understand the community values related to the north side (Fremont) site design, communicate site layout constraints, obtain community input on flexible landscape and architecture elements, and explain the public art process.

### Agenda

- 9:50 a.m. Sign-in
- 10:00 a.m. Welcome and introductions
- 10:15 a.m. Project overview and background
- 10:30 a.m. Group discussion and activity
- Community values and design principles
- 11:10 a.m. Presentation
- Explain site constraints
  - Introduce flexible elements
- 11:40 p.m. Lunch
- 12:00 p.m. Visit flexible design elements stations and provide input:
- Views and vegetation
  - Building and odor control stack
  - Lighting
  - Fencing and northwest corner function
- 12:45 p.m. Group Discussion
- Summarize input on flexible elements
  - Identify common themes and discuss differences
  - Develop general statements to provide design team
- 1:20 p.m. Presentation
- Review 4Culture's public art process
- 1:50 p.m. Wrap up
- Using community input
  - Next steps
  - Additional questions
- 2:00 p.m. Adjourn

A summary of today's meeting will be available on the project website at:
