## KING COUNTY'S PROJECT TEAM INVITES YOU

to a community meeting on  
November 20, to provide new  
information on the Fremont Siphon

Replacement Project. King County plans to replace  
the Fremont Siphon with new pipelines located  
under the Lake Washington Ship Canal.  
Construction begins in mid-2014!

### AT THE MEETING YOU CAN:

- Learn about the project final design, including construction areas, activities and traffic impacts in Fremont and Queen Anne
- Learn about what to expect during construction
- View the final design for the Fremont site and new odor control building
- View the public art design concept for the Fremont site and meet the artist

### WE HOPE YOU CAN JOIN US!
