

NOTICE OF AVAILABILITY
SEPA Addendum to
Determination of Nonsignificance
Hidden Lake Pump Station Replacement and Sewer Improvement Project

PROPONENT: King County Department of Natural Resources and Parks, Wastewater Treatment Division

LOCATION OF PROPOSAL: The entire project is located within the City of Shoreline in King County. The new pump station site is located at 16700 10th Ave. NW. The proposed storage facility is located in Boeing Creek Park. The majority of the proposed sewer pipeline is located in public street right-of-way. A portion of the pipeline would be located on private property and in Richmond Beach Park.

PROJECT DESCRIPTION: The King County Department of Natural Resources and Parks, Wastewater Treatment Division (WTD) has prepared an addendum to the SEPA Determination of Nonsignificance (DNS) and environmental checklist for the Hidden Lake Pump Station Replacement and Sewer Improvement Project. The DNS for the project, which was issued by the King County WTD on March 24, 2004, is addended by the authority provided in WAC 197-11-600(4)(c) and conforms to the procedures

for preparing an addendum in WAC 197-11-625. The addendum provides additional information regarding improvements proposed as part of the project that does not substantially change the analysis of impacts in the existing environmental checklist for this project (WAC 197-11-706). Changes to the proposed project include, the installation of a water main for the Seattle Water Department, refinement of construction dewatering estimates, an increase in total estimated truck trips due to the water main construction, and the closure of 10th Avenue NW for up to 3 months during construction of the project.

RESPONSIBLE OFFICIAL: Donald Theiler, Division Director, King County Wastewater Treatment Division

DATE OF ISSUANCE: January 25, 2005

END OF COMMENT PERIOD: There is no comment period.
