

CONSTRUCTION UPDATE

Notice to Residents

Construction near Richmond Beach Pump Station to begin week of August 14, 2006

As part of the Hidden Lake Sewer Improvement Project, **replacement of the Boeing Creek sewer line is scheduled to begin the week of August 14, 2006** at the Richmond Beach Pump Station located at Richmond Beach Drive NW and NW 198th Street in Shoreline.

During this work, which is expected to last until the end of September 2006, King County's contractor, Frank Coluccio Construction Company (FCCC), will also replace the main line sewer along Richmond Beach Drive from NW 198th to NW 197th Streets. Work is being completed this summer so that the City of Shoreline can move forward with a new park at the pump station site. Replacement of remaining portions of the Boeing Creek trunk sewer line is scheduled to begin in the fall of 2006.

What should you expect during construction?

- Crews will work 7 a.m. to as late as 10 p.m. weekdays. Trucks and large equipment will be in the area, and you may be aware of construction noise during these times.
- The new sewer line will be installed in the paved area of Richmond Beach Drive NW. During work hours, on-street parking will not be permitted between NW 197th and NW 198th streets
- Through traffic will be maintained during the work but reduced to one lane. Flaggers will direct traffic, and motorists may experience short delays when traffic is stopped for vehicle passage in the opposite direction.
- Emergency access will be maintained at all times.
- Residents will have access to properties and driveways throughout the work but will be directed by flaggers.
- Pedestrian and bicyclist access will also be maintained.
- At night and on weekends traffic will returned to two lanes.

Where can you get more information?

- **Call the 24-hour construction hotline at 206-205-5968** or e-mail jennifer.kauffman@metrokc.gov for more information. Don't hesitate to call the hotline number with your questions or concerns.
