

*King County's KIRKLAND PUMP STATION  
and SEWER UPGRADE PROJECT*

September 18, 2012

**Notice of work and road closure along Kirkland Avenue  
between 6th Street South and Kirkland Way**

Starting Monday September 24, a contractor working for King Co. will be completing sewer line work. Work is expected to take **3 days to complete**. **The road will be opened every evening** to allow through traffic. **Local access will be provided, however, there will be no through traffic allowed** past the work site during work hours.

**814 Kirkland Avenue - Special Notice to residents:**

The driveway to the condo units at this address will be blocked and there will be no access during work hours (7:00 a.m. – 5:00 p.m.). We ask that you leave or return before/after work hours or find parking on street during this work.

**What work will the contractor be doing?**

- The street will need to be closed at this location so a pipe can be installed. Once construction is complete, the street will be re-opened to through traffic.

**For more information on the project/ Para más información:**
