SUBJECT: Update: Construction continues to ramp up in Smith Cove Park

Hello from King County –

Two weeks ago, we launched an [interactive online open house](#) to share construction and schedule information with you. As we continue work at Smith Cove Park and prepare for construction on 32nd Avenue West, we encourage you to review the information under the following tabs/stations of the online open house:

- [Construction activities and schedule](#)
- [What to expect - Smith Cove Park](#)
- [What to expect – 32nd Ave W](#)

CHECK OUT OUR ONLINE OPEN HOUSE!

Visit <http://magnoliapipe.participate.online> using your computer or mobile device.

After you have reviewed the open house information, you can **submit any additional questions** to the project team on the final station labeled: [For more info](#).

Please share this information with any interested neighbors, and encourage them to participate. Continue reading for an update on construction activities.

Construction activities in Smith Cove Park

King County's contractor for the Magnolia Conveyance Project will continue to prepare their site in the southern end of the Smith Cove athletic field for construction. Over the next few weeks, they will excavate and install ground support near the entrance of the existing pipe in the southwest corner of the park. People visiting the park can expect the following:

- Construction equipment located onsite such as drill rigs, trucks, excavators and vector trucks
- Excavation and installation of shoring boxes
- Increased noise and vibration in the work area
- Traffic control personnel and signs to direct traffic and pedestrians around the work zone, as necessary
- The northern athletic field will remain open for use

Crews continue to excavate at Smith Cove Park to prepare the site for the installation of ground support

Upcoming construction activities on 32nd Avenue West – beginning January 2, 2018

Starting as early as January 2, crews will begin to prepare the work area on 32nd Avenue West for construction. Over the next several months, crews will prepare to pull another pipe from the diversion structure on 32nd Avenue West to the exit point in Smith Cove Park using the same path as the current pipe. Residents on 32nd Avenue West can expect the following:

- Construction equipment located onsite including excavators, pumps and trucks

- Orange construction fencing around the construction area
- Increased noise from construction equipment
- Traffic control personnel and signs to direct traffic and pedestrians around the work zone, as necessary

Holiday hours update

Crews will not work on Monday January 1, 2018. Construction activities will resume on January 2, 2018 during normal construction hours:

- Monday through Friday from 7 a.m. to 6 p.m.
- Saturday from 9 a.m. to 6 p.m.

King County will work with the community every step of the way. Find information, get your questions answered, and contact us:
