# Sewer Pipeline Work in Pacific, Algona & Auburn

*Phase B of the Kent-Auburn Conveyance System Improvements Project*

## King County sewer line work is coming to Algona!

*Come to a Project Open House*

**Saturday, January 21, 10:30 a.m. - 12:30 p.m.**

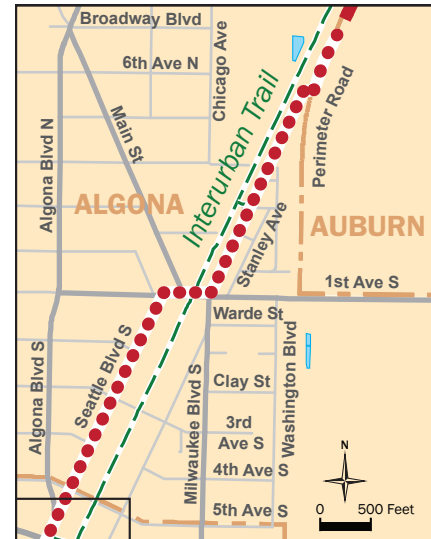

**Algona City Hall, 402 Warde St.**

In early 2017, King County will begin building a 2.6-mile sewer line in Auburn, Algona and Pacific. This work will increase wastewater capacity in your area and ensure safe and reliable service for decades to come. The project is expected to take two years to complete.

Please join us to learn more about the work taking place in Algona:

- Where and when will the work take place?
- What will it involve?
- How can you keep informed about the project?

An open house format with staff there to answer your questions about the project. Stop by any time during the open house – stay for as long as you like!

- New Sewerline
- Regional Trail

*We will have activities where kids and adults can learn about our wastewater system and the environment!*
