

NORTH MERCER ISLAND/ENATAI Sewer Upgrade Project

July 2017

During the summer of 2017, crews working for King County Wastewater Treatment Division will conduct field investigations to inform design of a sewer upgrade project in Mercer Island and Bellevue. Work will begin as early as July 17.

These surveys will help our team understand the condition of the project area and features near the shoreline as we continue design for the North Mercer Island and Enatai Sewer Upgrade Project.

Locations

See map on reverse

- July 17-20: SE 36th Street near North Mercer Way
- July 21-26: Gallagher Hill Open Space east of Shorewood Drive, just south of I-90
- July 27-28: 84th Street near SE 26th Street
- July 31-August 2: Fruitland Landing at the end of 97th Avenue SE
- August 3-4: north of Enatai Beach Park, below I-90
- August 7-8: SE 35th Place near the Mercer Island Boat Launch and the 97th Avenue S cul-de-sac

Please note that dates could shift depending on work conditions.

Crews will use total stations to take survey readings.

What you can expect

- Crews in reflective vests working with tripods and total stations on shore
- Vehicle travel lines, bike lanes and sidewalks will remain open
- Work hours 7 a.m. to 4 p.m., weekdays only

Please watch for equipment and signs in the area, travel slowly to stay safe, and follow direction from crews.
