

Staying Informed During Construction

King County is committed to sharing information about construction as early as possible so that you and your neighbors can stay informed.

To make sure you receive the latest information:

- Sign up for project email updates at the sign-in table or online
- Visit us on the web: www.kingcounty.gov/sunsetheathfield
- Look for newsletters in the mail, fliers on your door and project updates by email

Contact us during construction with questions or concerns:

- Call the 24/7 project construction hotline: **206-296-7800**
- Email De'Sean Quinn, community relations lead:
desean.quinn@kingcounty.gov
