Construction Progress Update: *Single-lane closures on SE 35th PI and W Lake Sammamish Pkwy SE*

SE 35th PI

When: Saturday, December 1 from 9 a.m. to 5 p.m.

What: Closure of a single lane of SE 35th PI.

Why: The closure will allow space for PSE to complete overhead utility work.

Note: The major work requiring lane closures on SE 35th PI is complete. Crews will close lanes intermittently as they wrap up final restoration activities and conduct utility work along the corridor.

W Lake Sammamish Pkwy SE

When: Monday, December 3 and Tuesday, December 4 from 9 a.m. to 3 p.m.

What: Closure of a single lane of W Lake Sammamish Pkwy SE.

Why: Crews will remove the heave in the road near the Sunset Pump Station.

Note: This work is weather-dependent and may be rescheduled.

Project Area Map

Please reference the project map below and the [project website](#) for the most up-to-date information on ongoing closures in the project area.

What to expect:

- **Increased noise and vibrations:** Neighbors can expect noise and vibrations from excavation for pit creation, shoring, boring machines, vacuum trucks, pipe installation, and generators.
- **Parking impacts:** Select street parking may be removed during pipe installation - please adhere to the no parking signs posted by the contractor.
- **Access maintained for services:** Access will be maintained for emergency services, waste pickup, and mail delivery.
