**Construction Update: Single-lane closure scheduled for September 2 on West Lake Sammamish Pkwy**

King County’s contractor plans to close a single lane of W Lake Sammamish Pkwy on Wednesday, September 2 between 8 a.m. and 4 p.m to remove an old generator from the Sunset Pump Station.

King County’s contractor also plans to continue intermittent single-lane closures for landscape restoration on SE 35th Pl through mid-September. When restoration is complete on SE 35th Pl, the contractor plans to begin landscape restoration and installation of the ornamental fence at the Sunset Pump Station.

Thank you for your patience while crews complete this restoration work.
