

Sewer Pipeline Restoration Work in Bellevue

Eastgate Interceptor sewer line in Lake Hills Greenbelt Park

Sewer line rehabilitation work is coming to Bellevue THIS SPRING!

King County is repairing a 2,400 foot section of the Eastgate Interceptor sewer line. Most of the work will take place in the Lake Hills Greenbelt Park. Trenchless pipeline repair work is planned to start in April of this year and be completed by December.

Project Open House – join us to learn:

- Where and when work will take place?
- What it will involve?
- How to keep informed
- What park users and neighbors can expect during and after construction
