

 King County **North Creek Interceptor Sewer Project**

**July 27, 2016 North Creek Interceptor construction update:
Canyon Park Business Center road revisions, detours, street closures**

Beginning as early as Friday, July 29, there will be changes to the traffic control and street closures along 222nd Street SE and 20th Avenue SE:

- The closed portion of 20th Ave. SE will shift north and will be closed between 220th St. SE south to just opposite the **Lockheed Martin** entry on 20th Ave. SE (this entry will remain closed).
- The Lockheed Martin entry along 222nd Street SE will remain open, with access to 23rd Drive SE and 223rd Street SE.
- **Access for businesses on the west side of 20th Ave. SE south of 220th St. will change:** the southern-most entry near Doc's Hideaway will be open with access from 20th Ave. SE and 224th St. SE. Building addresses at this complex include: 22118, 22122, 22026 and 22030 20th Ave. SE.

Continued on back.

For your safety —

- Drive slowly through work areas
- Watch flaggers and follow directions
- Be aware of equipment and trucks
- Stop when needed and as directed. Be patient—flaggers will do their best to get you moving
- Follow detours, do not attempt to take short cuts through other properties

Stay informed

- You can learn about the project and sign up for email updates at www.kingcounty.gov/nci
- If you have questions, call our construction information line at 206-205-9795.
