

## **King County crews to repair pipe on Lake Hills Boulevard in Bellevue beginning Wednesday, November 1**

On Sunday, Oct. 22, King County crews responded to an overflow in Bellevue. The overflow was located on Lake Hills Boulevard near 156<sup>th</sup> Avenue Southeast. Crews transferred wastewater flows to a companion pipeline and completed cleanup and inspection.

King County has determined that a short section of the pipeline needs repair. The County's contractor will conduct a shallow excavation, replace a section of pipe, backfill the excavation, and restore the sidewalk. This work is expected to take two days but may extend to Friday if needed. **See map on back for work area.**

### **What you can expect:**

- Work hours are 9:00 a.m.-3:30 p.m. on Wednesday and Thursday, Nov. 1-2; work may extend to Friday.
- A section of the eastbound lane of Lake Hills Boulevard will be closed between 155<sup>th</sup> Avenue Southeast and 156<sup>th</sup> Avenue Southeast.
- Watch for flaggers and follow directions and signs as you travel through the area.
- The bicycle lane and sidewalk will also be closed.

King County will post updates at:
