# Information for pro and con committees

2021 election cycle

## Who can participate?

Committees formally appointed by a jurisdiction proposing a ballot measure and participating in the local voters' pamphlet. There is a limit of three members per committee but committees may seek advice of any person or persons.

If the jurisdiction fails to make committee appointments by the deadline, King County Elections has the authority to make such appointments.

If you would like to serve on a committee, contact the jurisdiction proposing the measure.

## Pro and con committee statements

Arguments in favor of or in opposition to any ballot measure shall be filed with King County Elections no later than 4:30 p.m. on the day of the deadline.

## Length and other specifications

Limitations on the length of committee arguments are based upon the space available within the pamphlet.

- Pro/con statements: 200 words/4 paragraphs
- Rebuttal statements: 75 words/2 paragraphs
- Space is limited, so formatting is very important. Format your statement as an essay; text must be written in paragraphs. Tables, lists and bullets are not allowed, and will be changed to a block paragraph with a semicolon to separate each item.
- Only use italics to emphasize specific words or statements. Bold, underline and all caps is not allowed. Words submitted with prohibited formatting will be changed to italics.

In the event of any question regarding length, the King County Elections Director's decision shall be final.

## Rebuttal statements

The day after the deadline to submit pro and con statements, King County Elections will email the opposing committee's statement to all committee members.

Rebuttal statements are not required, however, it gives

each committee an opportunity to write a few more words supporting their point of view.

## Committee contact information

Only the names of the committee members (as submitted by the jurisdiction) are included in the pamphlet. Additionally, a phone number, email or website (as submitted by the committee) can be included. Government web and email addresses, such as those ended in .gov, may not be used. This information is in addition to the statement word limits. Committee members' titles will not be included.

## Submission of material

King County Elections prefers to receive statements submitted by email with a Word document attached. The submission of the initial statement must include a statement submission form. Statements can be submitted one of the following ways:

*Email* election.services@kingcounty.gov

*In-person or Mail* King County Elections  
919 SW Grady Way  
Renton, WA 98057

*Fax* 206-296-0108

## Review of statements

Prior to publication of the pro/con statements and rebuttal statements, King County Elections will email each committee a proof of their statements. Once they receive the proof, they can ensure there are no discrepancies between the proof copy and the information they submitted.

No changes to the originally submitted statements will be accepted and no new material will be accepted. The only changes that will be accepted are updates to the contact information section.
