Registering to vote

Requirements
To register to vote in Washington, you must be:

- A citizen of the United States;
- A legal resident of Washington State;
- At least 18 years old by Election Day; and
- Not under the authority of the Department of Corrections.

How to register
- Register online with the Secretary of State, www.vote.wa.gov.
- Download a registration form from the King County Elections website and return it by mail.
- Register in person at the King County Elections office or annex.

Registration deadlines
While you may register to vote at any time, there are registration deadlines prior to each election. The deadlines for the February 11, 2014, special election:

- January 13 – Deadline to register to vote online or by mail, or update existing voter registration information.
- February 3 – In-person registration deadline for people not currently registered in Washington.

Keep your voter registration current
Update your registration if you have moved or changed your name, or if your signature has changed. Simply submit a new registration form to update your information.

Accessible voting centers
Accessible voting centers are available for voters who need assistance completing their ballot. Trained staff and specialized equipment is available to help voters with disabilities cast a private, independent ballot. Voters may also return ballots at these locations during business hours.

King County Elections
919 SW Grady Way, Renton 98057
January 24 - February 10: Monday - Friday, 8:30 a.m. - 4:30 p.m.
February 11: Tuesday, 8:30 a.m. - 8:00 p.m.
Bellevue City Hall
450 110th Ave NE, Bellevue 98004
February 10: Monday, 10:00 a.m. - 5:00 p.m.
February 11: Tuesday, 10:00 a.m. - 5:00 p.m.

Returning your ballot

Ballot return locations and accessible voting centers can change with every election. See below for a list of the ballot return sites for the February 11, 2014 special election.

Through the mail
You can vote and return your ballot through the U.S. Postal Service as soon as you receive it. Ballots must be postmarked by February 11. Mailed ballots require first class postage.

24-hour drop boxes
Return your ballot without using the U.S. Postal Service or a first class stamp at a ballot drop box.

Ballot drop boxes are open: 24 hours a day beginning January 23.

Ballot drop boxes close: on Election Day, February 11, at 8 p.m.
Proposition No. 1
General Obligation Bonds - $98,800,000

The Board of Directors of Mercer Island School District No. 400 approved Resolution No. 610 concerning this proposition for bonds. This proposition authorizes the District to construct a new elementary school on district property; rebuild and modernize a portion of the middle school; and expand Mercer Island High School by adding four (4) science labs and six (6) general purpose classrooms; to issue $98,800,000 of general obligation bonds maturing within a maximum term of 20 years; and to levy excess property taxes annually to repay the bonds, as described in Resolution No. 610. Should this proposition be:

Approved
Rejected

The complete text of this measure is available at the Elections Office or online at www.kingcounty.gov/elections.

Statement in favor
Mercer Island schools are excellent, but they are severely overcrowded at more than 700 students over capacity. And projections show continued enrollment growth. These extra students are squeezed into 34 portable classrooms, four science labs and six general purpose classrooms, which is about 750 students more than facilities design capacity. Projects would include: (1) building a fourth elementary school on the district-owned North Mercer campus; (2) expanding Islander Middle School, including 14 classrooms and lab spaces, commons and cafeteria, gymnasiums, music rooms and administrative space; and (3) adding 10 classrooms at Mercer Island High School, including four science lab spaces and six general education classrooms.

The bonds would be repaid out of annual property tax levies over a period of 20 years. The estimated increase to repay these bonds is estimated to be $0.25 per thousand dollars of assessed property value, or about $250 per year for a home with an assessed value of $1 million.

Rebuttal of statement in opposition

Proposition No. 1
General Obligation Bonds - $98,800,000

The Board of Directors of Mercer Island School District No. 400 approved Resolution No. 610 concerning this proposition for bonds. This proposition authorizes the District to construct a new elementary school on district property; rebuild and modernize a portion of the middle school; and expand Mercer Island High School by adding four (4) science labs and six (6) general purpose classrooms; to issue $98,800,000 of general obligation bonds maturing within a maximum term of 20 years; and to levy excess property taxes annually to repay the bonds, as described in Resolution No. 610. Should this proposition be:

Approved
Rejected

Statement in favor
Mercer Island schools are excellent, but they are severely overcrowded at more than 700 students over capacity. And projections show continued enrollment growth. These extra students are squeezed into 34 portable classrooms -- enough to fill an elementary school alone. Overcrowding is impacting our students' education: common areas are congested and over scheduled; lunch times are compressed; one-on-one learning is challenging; and recreation space is constructed by portables.

This bond builds a fourth elementary school and expands the middle and high schools – fixing overcrowding at every school. It reflects community priorities. The cost is half the previous bond. No swimming pool or stadium improvements. And past school improvements are preserved. The owner of an $800,000 assessed home is paying about $456 per year on previous bond. No swimming pool or stadium improvements.

Statement in opposition
No statement submitted.

Statement submitted by: Ralph Jorgenson, David D’Souza, and Paul Bergman
www.fixovercrowding.com

Proposition No. 2
Replacement Educational Maintenance and Operations Levy

The Board of Directors of Mercer Island School District No. 400 adopted Resolution No. 611 concerning educational funding. This proposition authorizes the District to levy the following excess taxes, to replace an expiring levy, on all taxable property within the District's boundaries to support the District's educational maintenance and operations:

Collection Years  Approximate Levy  Levy Amount
2015  $1.58  $14,250,000
2016  $1.61  $15,100,000
2017  $1.65  $16,000,000
2018  $1.69  $16,975,000

as provided in the Resolution. Should this proposition be approved?
Yes
No

Statement in favor
Mercer islanders value our excellent schools. They are the heart of our community and why many of us moved here. The four-year maintenance and operations levy helps keep our schools strong. It is a renewal for one that was overwhelmingly approved by Mercer Island voters in 2015.

Washington State does not fully fund K-12 education. Mercer Island must provide additional local funding to maintain education programs not funded by the state. The levy renewal is vital. It provides 26 percent of general funding for nearly 100 teachers and staff, educational programs, school supplies, athletics and transportation. With the renewed levy, Mercer Island property taxes would increase $0.06 per thousand dollars of assessed property value. For a property with an assessed value of $500,000, it would result in an increase of about $30 per year more than they are paying today.

Strong schools make a strong community. It's up to us to keep our schools the best in the state. Vote yes twice for the Levy Renewal and Bond Endorsements.

Statement submitted by: Ralph Jorgenson, David D’Souza, and Paul Bergman
www.fixovercrowding.com

Rebuttal of statement in opposition
Don't let the Mercer Island School District confuse you by a nuanced definition of taxes, levy, new, or renewal. Approving this measure will increase the amount you pay the government. Taxpayers should hold off giving the district any more money until the board is able to put student services above the demands of union officials.

Statement submitted by: Laurie Lyford, Renay Bennett, and Tom Henningsgards
propertyrights4us@gmail.com

Statement in opposition
Union officials in the Mercer Island Schools have pressured the school board to divert levy funds from student services in order to pay teachers more. Our levy should pay for student services, not for wage increases.

In the collective bargaining agreement sought by union officials, the average state-provided wage of $51,327 for teachers will be enhanced by 17 percent from levy and levy-matched funds. This costs roughly $2.3 million per year which will be better used to help at-risk students or reduce class sizes.

The school district leads taxpayers to believe the levy money is being used for students, yet large amounts support union priorities instead.

Levies are great for funding local priorities and unique services for our area students, but taxpayers should hold off giving the school district any more money until the board is able to put student services above the demands of union officials.

Statement submitted by: Ralph Jorgenson, David D’Souza, and Paul Bergman
www.fixovercrowding.com

Explanatory statement
Passage of Proposition No. 1 will authorize Mercer Island School District No. 400 to borrow $98.8 million by issuing general obligation bonds. In accordance with the unanimous passage of Mercer Island School Board Resolution No. 610, the bonds will pay for three facilities projects addressing overcrowding in Mercer Island schools.

The school district currently has more than 4,300 students in the high school, middle school, three elementary schools and alternative program, which is about 750 students more than facilities design capacity.

Projects would include: (1) building a fourth elementary school on the district-owned North Mercer campus; (2) expanding Islander Middle School, including 14 classrooms and lab spaces, commons and cafeteria, gymnasium, music rooms and administrative space; and (3) adding 10 classrooms at Mercer Island High School, including four science lab spaces and six general education classrooms.

The bonds would be repaid out of annual property tax levies over a period of 20 years. The estimated increase to repay these bonds is estimated to be $0.25 per thousand dollars of assessed property value, or about $250 per year for a home with an assessed value of $1 million.

Statement submitted by: Ralph Jorgenson, David D’Souza, and Paul Bergman
www.fixovercrowding.com

Explanatory statement
The current maintenance and operations levy funds 26 percent of the Mercer Island School District No. 400's general fund. That levy will expire next year. Passage of Proposition No. 2 will authorize the district to renew the maintenance and operations levy. In accordance with the unanimous passage of Mercer Island School Board Resolution No. 611, the levy will pay for educational programs and services, including nearly 100 teachers and staff.

Because Washington State does not fully fund K-12 education, sustained local funding through the maintenance and operations levy is required in order to maintain the current level of educational programs in Mercer Island schools and exceeding the levels funded by the state.

The renewed levy would provide $14,250,000 (2015 collection), $15,100,000 (2016 collection), $16,000,000 (2017 collection), and $16,975,000 (2018 collection) for teaching, school supplies, athletics, transportation and educational programs and services to the extent authorized by law.

The levy would be paid out of annual property tax levies, which would increase by $0.06 per thousand dollars of assessed property value. For a Mercer Island property with an assessed value of $1 million, it would result in an increase of about $60 per year.
