Voting by mail is a convenient option for most people. There are other options available.

**Online Ballot Marking Program**
- Any registered voter can use the online ballot marking program.
- Voters with disabilities can mark their choices on the ballot online. The online ballot marking program has been designed specifically to enable blind and vision-impaired voters to cast a private ballot.
- If a voter’s ballot is damaged or lost, voters may mark their ballot on a computer, print it out, and return it by fax, standard mail, or email before the 8 p.m. election day deadline.

**Accessible Voting Centers**
Accessible voting centers are available for voters who need assistance completing their ballot. Trained staff and specialized equipment are available to help voters with disabilities cast a private, independent ballot. Mail ballots can also be dropped off at any accessible voting center, when open.

Statement in favor

Mercer Islanders have a long tradition of supporting excellence in education, which has resulted in our schools consistently being rated among the top in the state. This 4-year levy replaces one that expires in 2018 and will provide continued funding for critical programs. It is projected to raise between $11.75 and $12.75 million per year, and will comprise 20% of the school district’s annual budget and 38% of the Special Education budget. Levy funds will go toward maintaining our existing levels of educational standards across all schools: a 7 period day at the high school, advanced science and fine arts at both the high school and middle school, and Elementary K-5 Music, Art, PE, and Spanish. The funds enable us to invest in our dedicated teachers and staff by paying for professional development as well as stipends to lead after-school clubs at all levels. The past several levies were overwhelmingly approved by Mercer Island voters. This levy has the endorsement of all seven school PTA’s and current and former school board directors. Please vote yes to keep our schools among the best in the state. www.yesmischools.org.

Statement in opposition

No statement submitted.

Statements in favor of and in opposition to a ballot measure are submitted by committees appointed by the jurisdiction. No persons came forward to serve on the committee and to write a statement in opposition. If you would like to be involved with a committee in the future please contact the jurisdiction.

Explanatory statement

Passage of Proposition No. 1 would replace an expiring levy and allow the levy of $11,750,000 in property taxes within Mercer Island School District for collection in 2019, the levy of $12,000,000 for collection in 2020, the levy of $12,300,000 for collection in 2021, and the levy of $12,750,000 for collection in 2022. In accordance with Resolution No. 662 approving this proposition, these taxes would be deposited in the Mercer Island School District’s General Fund to pay part of the general expenses of operating the District. General expenses of the District include employee costs (such as salaries), instructional materials, special programs, activities and sports, technology systems operation, transportation costs, maintenance of facilities and other non-capital expenses of operating the District schools. If authorized by the voters and based on projected assessed valuation information, the estimated levy rate per $1,000 of assessed value would be $1.00 for collection in the years 2019 through 2022, inclusive. The exact levy rate shall be adjusted based upon the actual assessed value of the property within the District and the legal limit of the levy amount at the time of the levy.
