Online Trip Planning

Use Metro’s online Trip Planner to plan trips on scheduled service in King, Pierce and Snohomish counties. It provides details of transit stops, routes and schedules. Trip Planner itineraries do not include service disruptions and reroutes caused by weather, emergencies, traffic, events, construction.

Trip Planner includes Metro Transit, Pierce Transit, Community Transit, Everett Transit, ST Express buses, Link light rail, Sounder commuter rail, King County Water Taxi, Washington State Ferries and other providers. It uses a common fare payment system called ORCA (One Regional Card for All). The ORCA card works as cash in a pass, and it automatically tracks the value of your fares and transfers, letting you move easily between the participating transportation systems.

Get your ORCA card online at www.orcacitycard.com, by phone at 1-888-889-6368 (ORCA) or WA Relay: 711 (1-888-889-6368), at ticket vending machines in Sounder and Link rail stations, or at one of the transit agencies or customer service offices. The ORCA website also provides information on how to use the card, as well as locations at which it can be reloaded with a new balance or cash.
