**Snow/Emergency Service**

Servicio de emergencia/nieve

Durante most snow conditions these routes will operate via the snow route shown in this timetable. In the rare event that Metro declares an emergency, these routes will continue to operate as designated Emergency Snow Network routes. Due to such an event, they are expected to operate with the same route numbers and follow the same snow routes as shown in this timetable. Check King county.gov/snow and sign up for Transit Alerts to stay informed during adverse conditions.

Dura el mayor de las nevadas, estas rutas operarán por los recorridos para nevadas que se muestran en este programa. En el caso poco frecuente de que Metro declare una emergencia, estas rutas seguirán operando como rutas designadas de la red de Emergencia para Nevadas. En este caso, se espera que operen con los mismos números de rama y que sigan los mismos recorridos para casos de neve que se muestran en este programa. Visite kingcounty.gov/metro/snow y registre para recibir Alertas de Transporte y mantenerse informado durante las condiciones adversas.

**ORCA Card**

Metro Transit and eight other Puget Sound transportation agencies (Community Transit, Everett Transit, Kitsap Transit, Pierce Transit, Sound Transit, Seattle Streetcar, King County Water Taxi, the Seattle Center Monorail and Washington State Ferries) use a common fare-payment system called ORCA (One Regional Card for All). The ORCA card works as a pass or cash, and it automatically tracks the value of your fares and transfers, letting you move easily between the participating transportation systems.

Get your ORCA card online at www.orcarcard.com, by phone at 1-888-988-6722 (ORCA) or WA Relay: 711 (1-888-888-6388), at ticket vending machines in Sounder and Link rail stations, or at one of the transit agency customer service offices. The ORCA website also provides information on how to use the card, as well as locations at which they can be reloaded with a new pass or additional cash.
