How to Read a Schedule
1. Locate the WEEKDAY, SATURDAY, or SUNDAY schedule block for the day of travel.
2. Timetables are set by bus stops along the route that correspond to times listed under each location and to timetop dots on the map. Timetop dots are listed in an order from the beginning of the route (on the left) to the end (on the right). If you are boarding at a stop between two timetops, use the earlier time as a guide.
3. Bus stop number.
4. Read down the column to find the time your bus arrives at the next stop.
5. Read across the row to find the time your bus arrives at the next stop.
6. If there is a symbol (letter or character) after a time, look for the explanation under the heading Timetable Symbols.
7. A dash in the column means the bus does not serve that timetop.
8. Refer to the Special Service Information section for any changes in routing or other unique aspects of service on this route.

### ORCA Card

ORCA Card

Metro Transit and Sound Transit agencies (Community Transit, Everett Transit, King County Metro, Pierce Transit, Sound Transit, King County Water Taxi, and Washington State Ferries) use a common fare-payment system called ORCA (One Regional Card for All). The ORCA card works as cash or a pass, and it automatically tracks the value of your fares and transfers, letting you move easily between the participating transportation systems.

Get your ORCA card online at www.orcacard.com, by phone at 1-888-889-6368 (ORCA) or 1-866-363-2539 (WA Relay 711), at ticket vending machines in Sounder and Link rail stations, or at one of the transit agency's customer service offices. The ORCA website also provides information on how to use the card, as well as locations at which it can be reloaded with a new pass or additional cash.
