Snow/Emergency Service
Service de emergencia/nieve
During snow/routing disruptions these routes will operate via the snow/routing shown in this timetable. In the rare event that MO declares an emergency, these routes will continue to operate as designated Emergency Snow Network routes. During such an event, they are expected to operate with the same route numbers and follow the same snow/routing as shown in this timetable. Visit kingcounty.gov/metro/snow and sign up for Transit Alerts to stay informed during adverse conditions.

Durante la mayoría de las nevadas, estas rutas operarán por los recorridos para nevadas que se muestran en este programa. En el caso poco frecuente de que Metro declare una emergencia, estas rutas seguirán operando como rutas designadas de la Red de Emergencia para Nevadas. En este caso, se espera que operen con los mismos números de ruta y que sigan los mismos recorridos para casos de nieve que se muestran en este programa. Visite kingcounty.gov/metro/snow y se inscriba para recibir Alertas de Transporte y manténgase informado durante las condiciones adversas.
