**How to Read a Schedule**

1. Locate the WEEKDAY, SATURDAY, or SUNDAY schedule block for the day of travel.
2. Timetables are set by bus stops at the route that correspond to times listed under each location and to timetables on the map. Timetables are listed from the beginning of the route (on the left) to the end (on the right). If you are boarding at a stop between two timetables, use the earlier time as a guide.
3. Read the stop number.
4. Read down the column to find the time your bus leaves the timetable.
5. Read across the row to find the time your bus arrives at the next timepoint.
6. If there is a symbol (letter or character) after a timepoint, use the earlier time as a guide.

**Crossing Symbols**

1. Separate timetables for each service area. All times are local. Daylight Saving Time (DST) affects all times.
2. A dash in the column means the bus does not serve that timepoint.
3. Refers to the Special Service Information section for any changes in routing or other unique aspects of service on this route.
