ORCA Card
Metro Transit and nine other Puget Sound transportation providers (Community Transit, Everett Transit, Kitsap Transit, Pierce Transit, Sound Transit, Seattle Streetcar, King County Water Taxi, King County Monorail and Washington State Ferries) use a common fare-payment system called ORCA (One Region Card). The ORCA card is a compact and a pass, and it automatically tracks the value of your fares and transfers, letting you move easily between the participating transportation systems. Get your ORCA card online at www.orccard.com, by phone at 1-888-988-6722 (ORCA) or WA Relay: 711 (voice) or TTY: 1-866-653-8778, or at ticket vending machines in SOUNDer and Link rail stations, or at one of the transit agency customer service offices. The ORCA website also provides information on how to use the card, as well as locations at which they can be reloaded with a new pass or additional cash.

Night Rider Tip
You can help drivers spot you when it is dark or during times of reduced visibility by wearing light-colored clothing and by standing in the most visible area of the bus stop. We don’t want to miss you!

Night Stop Program
For your added safety at night, you may request to exit the bus at a location along your route other than a regular bus stop. To do so, please go to the front of the bus and ask your driver at least one block before your desired stop. Safety considerations will determine if the driver can comply with your request. Night stop service is available only from 8 pm to 6 am and is for dropping off riders only. Night stop is not provided in downtown Seattle.

You may need to board/deboard at a location a block or more away from the location you requested.

Scheduled Service / Fixed Routing  
DART vans provide service at Metro Stop Shop stops along each route. Every trip serves Kent Station and the Regional Justice Center. For more information, call Kent’s Rider Information at 206-553-3000.
