

## 2019-20 Fee Guide 07, Storm Water Engineering Review and Facility Inspection

| Engineering and Document Review  | Fee Amount |
|--|------------|
| <b>Level 1:</b> Minor plan consultation; basic adjustment review with a single item; Minor SEPA or CUP; Preliminary short plat; Minor plan revision            | \$258      |
| <b>Level 2:</b> Plan consultation; Standard or minor multi-item adjustment review; Standard preliminary plat, SEPA or CUP; Plan revision                       | \$644      |
| <b>Level 3:</b> Complex or multi-item adjustment; Standard hydrology report; Standard landscape management plan; Basic master drainage plan                    | \$1,932    |
| <b>Level 4:</b> Very complex or multi-item adjustment; Complex hydrology report; Basic modeling; Complex landscape management plan; Basic master drainage plan | \$2,575    |
| <b>Level 5:</b> Very complex, multi-item, or basic experimental adjustment; Complex hydrology report; Standard modeling; Standard master drainage plan         | \$3,220    |
| <b>Level 6:</b> Basic experimental adjustment; Very complex hydrology report; Complex modeling; Complex master drainage plan                                   | \$3,864    |
| <b>Level 7:</b> Standard experimental adjustment; Very complex hydrology report; Very complex modeling; Very complex master drainage plan                      | \$5,152    |

| Construction Approval (a)                         | Fee Amount  |
|---|---|
| Constructability Review:                          | Initial Facility \$813<br>Each Additional Facility on Same Site \$129   |
| Pre-Construction Meeting and Facility Inspection: | Initial Facility \$2,616<br>Each Additional Facility on Same Site \$902 |

**2019 Fee Guide 07,  
Storm Water Engineering Review and Facility Inspection**

| <b>Post-Construction Monitoring (a)</b>   | <b>Fee Amount</b> |
|---|-------------------|
| Small: one storm water facility or BMPs only or conveyance in the right-of-way only with 4 or more catch-basins | \$4,011           |
| Medium: one large or two small storm water facilities   | \$4,880           |
| Large: multiple, complex storm water facilities   | \$7,470           |
| Re-inspection, each   | \$752             |
| Annual extension  | \$1,922           |
| Annual bond default administration  | \$4,320           |

(a) Required only for County-maintained facilities.

*The fees listed in this guide are collected on behalf of the King County Department of Natural Resources and Parks, Water and Land Resources Division.*

*Permits may be extended for 12 months without additional charge for inspection.*
