

### **Permits for residential and commercial properties**

The Archives has limited residential and commercial building records, unless they are County government buildings and structures. The best place for you to contact for permit information would be the [King County Department of Local Services, Permitting Division](#). Their email is [DPERWebinquiries@kingcounty.gov](mailto:DPERWebinquiries@kingcounty.gov) and their phone is 206-296-6600.

You may also want to contact the city in which the property resides to see if they hold onto building permits.

If the property is located within the Seattle city limits, contact the Seattle Department of Construction & Inspections, Microfilm Library. The library can be contacted anytime at 206-233-5180 (message only) or at [sci\\_microfilm@seattle.gov](mailto:sci_microfilm@seattle.gov)

Please let us know if we can be of further assistance.
