**Night Rider Tip**

You can help drivers spot you when it is dark or during times of reduced visibility by wearing light-colored clothing and for standing in the most visible area of the bus stop. We don't want to miss you!

**ORCA Card**

Metro Transit and eight other Puget Sound transportation agencies (Community Transit, Everett Transit, Klaip Transit, Pierce Transit, Sound Transit, Seattle Streetcar, King County Water Taxi and Washington State Ferries) use a common fare-payment system called ORCA (One Regional Card for All). The ORCA card works as cash or a pass, and it automatically tracks the value of your fares and transfers, letting you move easily between the participating agencies.

Get your ORCA card online at www.orcacard.com, by phone at 1-888-988-6722 (ORCA) or WA Relay: 711 (1-888-889-6368), at ticket vending machines in Sounder and Link rail stations, or at one of the agency customer service centers. The ORCA website also provides information on how to use the card, as well as locations at which they can be reloaded with a new pass or additional cash.

**Bike & Ride**

Metro buses have bike racks that hold three bikes. The bike racks are easy to use at no extra cost. Just follow the simple instructions posted near the rack. You may load or unload your bike anytime at all regular Metro bus stops, including downtown Seattle and the transit tunnel.

### Accessible Formats

People with disabilities who need this information in accessible formats may call 206-877-6066 (voice) or WA Relay: 711.

### Snow/Emergency Service

**Servicio de emergencia/nieve**

During most snow conditions, this route will operate via the snow routes shown in this timetable. In the rare event that Metro declares an emergency service, all three buses: 300, 301, and 302 will operate in a shuttle manner, as described in the street section.

During the majority of the snow days, this route operates by the schedule listed in this timetable.
