Quick Timetable Tips
1. Locate the WEEKDAY, SATURDAY, or SUNDAY schedule block for the route that best matches your travel. Timepoints are listed from the beginning of the given timepoint to the end of the given timepoint.
2. Timepoints in the schedule block correspond with the timetable’s timepoints. Travel time is calculated by stopping at a stop between two timepoints, use the earlier time as a guide.
3. If there is a symbol (letter or character) after a time, look for the explanation under the heading Timetable Symbols.

Night Rider Tip
You can help drivers spot you when it is dark or during times of reduced visibility by wearing light-colored clothing and by standing in the most visible location along your route other than a regular bus stop. To do so, please go to the front of the bus and ask your driver at least one block before your desired stop. Considerations will determine if the driver can comply with your request. Night Stop service is available only from 5 pm to 6 am and is for dropping off riders only. Night Stop is not provided in downtown Seattle.

What To Pay
At all times, pay your fare when you board the bus. Pay with exact fare, a validated ticket, or a valid pass. All drivers accept cash, but drivers do not have exact change. Considerations will determine if the driver can comply with your request. Payment methods are listed in the Schedule under the Timetable Symbol. For more information, see "Cómo pagar" in the pagina web de Metro.

Night Stop Program
For your added safety at night, you may request to exit the bus at a location along your route other than a regular bus stop. To do so, please go to the front of the bus and ask your driver at least one block before your desired stop. Considerations will determine if the driver can comply with your request.

ORCA Card
Metro Transit and eight other Puget Sound transportation agencies (Community Transit, Everett Transit, Kitsap Transit, Pierce Transit, Sound Transit, Seattle Streetcar, King County Water Taxi and Washington State Ferries) use a common fare-payment system called ORCA (One Regional Card for All). The ORCA card acts as cash to get on and it automatically tracks the value of your fares and transfers, letting you move easily between the participating transportation systems.

Get your ORCA card online at www.orcacard.com, by phone at 1-888-889-6368 (ORCA) or via Relay: 711 (1-888-771-7797) or by going to ticket vending machines in Sounder and Link rail stations, or at one of the transit agency customer service offices. The ORCA website also gives information on how to use the card, as well as locations at which they can be re-loaded with a new pass or additional cash.
