Night Stop Program

For your added safety at night, you may request to exit the bus at a location along your route other than a regular bus stop. To do so, please go to the front of the bus and ask your driver at least one block before your desired stop. Safety considerations will determine if the driver can comply with your request. Night Stop service is available only from 8 pm to 5 am and is for dropping off riders only. Night Stop is not provided in downtown Seattle.

Night Rider Tip

You can help drivers spot you when it is dark or during times of reduced visibility by wearing light-colored clothing and by standing in the most visible area of the bus stop. We don’t want to miss you!

Priority Seating

All Metro buses are wheelchair accessible. Designated seats in the front of the buses are reserved for seniors and people with disabilities. If you are occupying one of these seats when a person with greater needs boards, please offer it to that person. For more information about accessible service and bus accessible wheelchair/scooter specifications, call 206-553-3000.

Accessible Formats

People with disabilities who need this information in accessible formats may call 206-477-6066 (voice) or WA Relay: 711.

Snow/Emergency Service

During most snow conditions these routes will operate via the snow routing shown in this timetable. In the rare event that Metro declares an emergency, these routes will continue to operate as designated Emergency Snow Network routes. During such an event, they are expected to operate with the same route numbers and follow the same snow routings as shown in this timetable. Visit kingcounty.gov/metro snow and sign up for Transit Alerts to stay informed during adverse conditions.

During the majority of the navades, estas rutas operarán por los recorridos para nevadas que se muestran en este programa. En este caso poco frecuentemente que Metro declare una emergencia, estas rutas seguirán operando como rutas designadas de la Ruta de Emergencia para Nevadas. En ese caso, se espera que operen con las mismas números de ruta y que sigan los mismos recorridos para casos de nieve que se muestran en este programa. Visite kingcounty.gov/metrotransporte y registre para recibir Alertas de Transporte y manténgase informado durante las condiciones adversas.

ORCA Card

Metro Transit and eight other Puget Sound transportation agencies (Community Transit, Everett Transit, King County Metro, Pierce Transit, Sound Transit, Seattle Streetcar, King County Water Taxi and Washington State Ferries) use a common fare payment system called ORCA (One Regional Card All). The ORCA card works as cash or a pass, and it automatically tracks the value of your fares and transfers, letting you move easily between the participating transportation systems.

Get your ORCA card online at www.orcard.com, or by phone at 1-888-888-6368, or at ticket vending machines in Sounder and Link rail stations, or at one of the transit agency customer service offices. The ORCA website also provides information on how to use the card, as well as locations at which it may be reloaded with a new pass or additional cash.

**Text for Buses**

If you want arrival times at your stop, both scheduled times and real times, try Metro’s new tool for getting up-to-date timing of any route that serves your bus stop. Simply text your bus stop number to 62550 and follow the prompts. Bus stop numbers can be found at all Metro bus stops, via Metro’s Trip Planner, the Puget Sound Trip Planner app, or on Metro timetables (at timepoints, only; space for 3 days). On the website, check the section for the route you want to go.

**Quick Timetables**

1. Locate the WEEKDAY, SATURDAY, or SUNDAY schedule block for the direction you want to go. Timetables are listed from the beginning of the route or the stop (the left to the end on the right).
2. Timepoints in the schedule block correspond with the timepoints on the map. If you are standing at a stop between two timepoints, use the earlier time as a guide.
3. If there is a symbol (letter or character) after a time, look for the explanation under the heading: Timetables
