Metro Night Rider
You can help drivers spot you if it is
dark or during times of reduced visibility by
wearing light-colored clothing and by
staying in the most visible area of the
bus stop. We don’t want to miss you!

Night Stop Program
For your safety at night, you may
request to exit the bus at a location
other than a regular bus stop. To
do so, please tell the driver at the
front of the bus where you wish to
get off. Safety considerations will
determine if the driver can comply
with your request. Night Stop
service is available only from 8 p.m.
to 5 a.m. and is for dropping off riders
only. Night stops are not provided in downtown
Seattle.

Quick Timetable Tips
1. Locate the WEEKDAY, SATURDAY,
or SUNDAY schedule block for the
direction you want to go. Timetables
are listed from the beginning of the
route (on the left) to the end (on the right).

2. Timetables in the schedule block correspond with the
timetrip dots on the map. If you are boarding at a stop
two timetrips, use the earlier time as a guide.

3. If there is a symbol (letter or character)
after a time, look for the explanation
under the heading Timetrip Symbols.

Seattle Department of Transportation
This route has improved service thanks to
Seattle voters.
