Online Trip Planning

Use Metro’s online Trip Planner to plan trips on scheduled service in King, Pierce and Snohomish counties. It provides details on transit stops, routes and schedules. Trip Planner itineraries do not include service disruptions and reroutes caused by weather emergencies, traffic, events or construction.

Trip Planner includes Metro Transit, Pierce Transit, Community Transit, Everett Transit, Sounder trains, Link light rail, Sounder commuter rail, King County Water Taxi, Washington State Ferries, the Seattle Streetcar, and Seattle Streetcar.

ORCA Card

Metro Transit and other Puget Sound transportation agencies (Community Transit, Everett Transit, Sound Transit, Seattle Streetcar, King County Water Taxi and Washington State Ferries) use a common fare-paying system called ORCA (One Regional Card for All). The ORCA card works as cash or a pass, and it automatically tracks the value of your fares and transfers, letting you move easily between the participating transportation systems.

Get your ORCA card online at www.orcacard.com, by phone at 1-888-889-6762 (ORCA) or in person at 711 (1-888-889-606B), at ticket vending machines in Sounder and Link stations, or at one of the transit agency customer service offices. The ORCA website also provides information on how to use the card, as well as locations at which they can be reloaded with a new pass or additional cash.
