**Night Rider Tip**

You can help drivers spot you when it is dark or during times of reduced visibility by wearing light-colored clothing and by standing in the most visible area of the bus stop. We don’t want to miss you!

**Night Stop Program**

For your added safety at night, you may request to exit the bus at a location along your route other than a regular bus stop. To do so, please go to the front of the bus and ask your driver at least one block before your desired stop. Safety considerations will determine whether you can be served. Night Stop service is available only from 8 p.m. to 7 a.m. and is for dropping off riders only. Night Stop is not provided at all stops.

**ORCA Card**

Metro Transit and eight other Puget Sound transportation agencies (Community Transit, Everett Transit, Klickitat Transit, Pierce Transit, Sound Transit, Seattle Streetcar, King County Water Taxi and Washington State Ferries) use a common fare-payment system called ORCA (One Regional Card for All). The ORCA card works as cash or a pass, and it automatically tracks the value of your fares and transfers, letting you move easily between the participating transportation agencies. For more information, visit www.orcacard.com.

**Metro Customer Service**

If you want bus arrival times at your stop, both in buses, at bus stops, and at all timetable displays, you can use Metro's Trip Planner, the Puget Sound Trip texting tool for getting up to the next three trips of the bus that you want to use. To do so, please go to the front of the bus and ask your driver at least one block before your desired stop. Safety considerations will determine whether you can be served. Night Stop service is available only from 8 p.m. to 7 a.m. and is for dropping off riders only. Night Stop is not provided at all stops.
