Plan your 2019 hiking adventure with Trailhead Direct

Trailhead Direct is a pilot project co-led by King County Metro and King County Parks. This project seeks to ease vehicle congestion, reduce safety hazards, and expand access to hiking destinations along I-90. For the 2019 season, service to Mailbox Peak will start at Issaquah Transit Center and the new Trailhead Direct Cougar Mountain service will serve residents and visitors in South King County.

And, as in 2018, the Seattle Department of Transportation is providing half of the operating costs for the Issaquah Alps and Mount Si Trailhead Direct service.

How to Pay

Upon boarding, pay your fare with exact change, a convenient regional ORCA card or an activated Transit GO mobile ticket. Get your ORCA card online at www.orcacard.com, by phone at 1-888-988-6722 (ORCA) or Washington State Relay: 711 (1-888-889-6368); at ticket vending machines in Sounder and Link light rail stations, or at one of the transit agency customer service offices. You can download the Transit GO app for Android, iPhone and Windows mobile devices and buy tickets directly using your credit or debit card. You can also buy tickets through Metro’s “Marketplace” site on your PC or desktop and have the tickets appear in the app on your mobile device.

Trip Planning

Use Metro’s online Puget Sound Trip Planner desktop, mobile or Android or iOS apps to plan trips on scheduled service in King, Pierce and Snohomish counties. It provides details about transit stops, routes and schedules. Trip Planner itineraries do not include unplanned service disruptions and reroutes caused by weather, emergencies, traffic, events or construction.

Accessibility

While trail destinations may vary in accessibility, Trailhead Direct vehicles are wheelchair accessible. All are welcome.
