Text for Bus Times

If you want bus arrival times at your stop, both scheduled times and real times, try Metro’s new mobile app. You can request to get updates on the next three trips of any route that serves your bus stop. Simply text your bus stop number to 62550 and follow the prompts. Bus stop numbers can be found at all Metro bus stops, via Metro’s Trip Planner, the Puget Sound Trip Planner app, on Metro timetables (at regular Metro bus stops, including downtown Seattle bus stops, and at bus stops, and at

ORCA Card

Metro Transit and other Puget Sound transportation agencies (Community Transit, Everett Transit, King County, Sound Transit, Seattle Streetcar, King County Water Taxi and Washington State Ferries) use a common fare-payment system called ORCA (One Regional Card for All). The ORCA card works as a cash or a pass, and it automatically tracks the value of your fares and transfers, letting you move easily between the participating transportation systems.

To start a VanShare, phone us at 206-625-4500 or e-mail us at VanShare@kingcounty.gov. Link to our page to web through Metro at kingcounty.gov/van.

Bike & Ride

Metro buses have bike racks that hold three bikes. The racks are easy to use at all stops. Simply follow the simple instructions posted near the rack. You may load or unload your bike anytime at all regular Metro bus stops, including downtown Seattle and the transit tunnel.

Quick Timetable Tips

1. Locate the WEEKDAY schedule block for the direction you want to go. Timepoints are listed from the beginning of the route (on the left) to the end (on the right).
2. Timepoints in the schedule block correspond with the timetable dots on the map. If you are boarding at a stop between two timepoints, use the earlier time as a guide.
3. If there is a symbol (letter or character) after a time, look for the explanation under the heading Timetable Symbols.

Night Rider Tip

You can help drivers spot you when it is dark or during times of reduced visibility by wearing light-colored clothing and by standing in the most visible area of the bus stop.

Metro Customer Services

At Metro Customer Services office you can buy ORCA cards, bus passes, senior permits and taxi script. Get information about bus service, register for disability permits and retrieve items turned into Lost & Found.

Night Stop Program

For your added safety at night, you may request to exit the bus at a location along your route other than a regular Metro bus stop. To do so, call or text your bus stop and ask your driver at least one block before your desired stop. Safety considerations will determine if the driver can comply with your request. Night Stop service is available only from 8 p.m. to 5 a.m. and is for dropping off riders only. Night Stop is not provided in downtown Seattle.

- Mon-Fri (except holidays) 4:30 am - 6:30 am
- Sat 7:30 am - 9:30 pm
- Sun/Holidays 9:30 am - 6:30 pm

You need to make your trip request at least two hours before you want to be picked up. If you are not a regular rider, you can make your reservations for 30 days in advance.

A limited number of off-route deliveries, only, can be made on any given trip. The van can deviate from the fixed route to serve other locations within the service area, but not necessarily provide door-to-door service due to safety, and other operational considerations (narrow streets, cul-de-sacs, etc.). You may need to board/deboard at a location a block or more away from the location you request.

You can request off-route trips within the DART service area by calling the DART reservation office. You need to make your trip request at least two hours before you want to be picked up. If you are a regular rider you can make your reservations for 30 days in advance or up to 30 days in advance. Reserve-
