How to Pay
At all times, pay your fare when you board the bus. Pay with cash (exact fare; do not carry change), ticket or with a convenient regional ORCA card. Show your activated Transit GO Ticket (mobile ticket) or valid transfer to the driver. Metro transfers are valid on all Metro routes.

How to Read a Schedule
1. Locate the WEEKDAY, SATURDAY, or SUNDAY schedule block for the direction you want to go.
2. Timetables are split into bus stops along the route that correspond to times listed under each location. Timepoints are listed from the beginning of the route (on the left) to the end of the route (on the right). Timepoints correspond with the timepoints on the map. If you are boarding at a stop between two timepoints, use the earlier time as a guide.
3. Bus stop numbers
4. Read down the column from the time bus leaves the timepoint.
5. Read across the row to find the time your bus arrives at the next timepoint.
6. If there is a symbol (letter or character) after a time, look for the value under the heading "Timetable Symbols." The symbols indicate a change in service. Watch for it in buses, on the map and at timetable displays.

Night Rider Tip
You can request a time when it is dark or during times of reduced visibility by wearing light-colored clothing and by standing in the most visible area of the bus stop. We don’t want to miss you!

Night Stop Program
For your added safety at night, you may request to exit the bus at a location along your route other than a regular bus stop. To do so, please go to the front of the bus and ask your driver at least one block before your desired stop. Safety considerations will determine if the driver can comply with your request. Night Stop service is available only from 8 p.m. to 5 a.m. and for designated off-riders only. Night Stop is not provided in downtown Seattle.

Priority Seating
All Metro buses are wheelchair accessible. Designated seats in the front of buses are reserved for seniors and people with disabilities. If you are occupying one of these seats when a person with greater need boards, please offer it to that person. For more information about accessible service and bus-acceptable wheelchair/scooter specifications, call 206-563-3000.
