### How to Read a Schedule
1. Locate the WEEKDAY, SATURDAY, or SUNDAY schedule block for the day of travel.
2. Timetables are shown side by side along the route that correspond to times listed under each location and to trip times on the map. Timetables are listed for the beginning of the run (on the top) to the end (on the right). If you are boarding at a stop between two trip times, use the earlier time as a guide.
3. Bus stop number.
4. Read down the column to find the time your bus leaves the stop.
5. Read across the row to find the time your bus arrives at the next stop.
6. If there is a symbol (character) after a time, look for the explanation under the heading Time Symbol.
7. A dash in the column means the bus does not serve that stop.
8. Refer to the Special Service Information for any changes in routing or other unique aspects of service on this route.

**ORCA Card**

Metro Transit and eight other Puget Sound transportation agencies (Sound Transit, Everett Transit, Kitsap Transit, Pierce Transit, Sound Transit, Seattle Streetcar, King County Water Taxi and Washington State Ferries) use a common fare-payment system called ORCA (One Regional Card for All). The ORCA card works as cash or a pass, and it automatically tracks the value of your fares and transfers, letting you move easily between the participating transportation systems.

Get your ORCA card online at www.orcakard.com, by phone at 1-888-889-6272 (ORCA or Relay 911), or at a ticket vending machine in Sounder and Link rail stations, or at one of the transit agency's customer service offices. The ORCA website also provides information on how to use the card, as well as locations at which they can be reloaded with a new pass or additional cash.

**Online Trip Planning**

Use Metro's online Trip Planner to plan trips on scheduled service in King, Pierce and Snohomish counties. It provides details on transit stops, routes and schedules. Trip Planner itineraries do not include service disruptions and reroutes caused by weather, emergencies, traffic, events or construction.

This service includes Metro, Pierce Transit, Community Transit, Everett Transit, ST Express buses, Link light rail, Sounder commuter rail, King County Water Taxi, Washington State Ferries, the Seattle Center Monorail, and Seattle Streetcar. See "How to pay" on the mobile ticket or valid transfer to the driver.

**Night Rider**

You can help drivers spot you when it is dark or difficult to see by wearing light-colored clothing and by standing in the most visible area of the bus stop. We don't want to miss you!
