**Night Stop Program**

For your added safety at night, you may request to exit the bus at a location along your route other than a regular bus stop. To do so, please go to the front of the bus and ask your driver at least one block before your desired stop. Safety considerations will determine if the driver can comply with your request. Night Stop service is available only from 6 p.m. to 5 a.m. and is for dropping off riders only. Night Stop is not provided in Downtown Seattle.

**Snow/Emergency Service**

Servicio de emergencia/nieve

During most snow conditions these routes will operate via the snow routing shown in this timetable. In the rare event that Metro declares an emergency, these routes will continue to operate as designated Emergency Snow Network routes. During such an event, they are expected to operate with the same route numbers and follow the same snow routings as shown in this timetable. Visit King County/gov/metro to review the service changes and snow network routes.

Show your activated Transit GoTicket (mobile ticket) or valid ticket to the driver. Metro transfers are valid in Metro, only. See "How to pay" on Metro's website for more information.

### ORCA Card

Metro Transit and eight other Puget Sound transportation agencies (Community Transit, Everett Transit, King County Metro, Pierce Transit, Sound Transit, Seattle Streetcar, King County Water Taxi and Washington State Ferries) use a common fare payment system called ORCA (One Regional Card for All). The ORCA card works as cash or a pass, and it automatically tracks the value of your fares and transfers, letting you move easily between the participating transportation systems.

The website also provides information on how to use the card, as well as locations at which they can be reloaded with a new pass or additional cash.
