How to Read a Schedule
1. Locate the WEEKDAY, SUNDAY, or SUNDAY schedule block for the day of travel.
2. Timepoints are select bus stops along the route that correspond to times listed under each location and to timepoint dots on the map. Timepoints are listed from the beginning of the route (on the left) to the end (on the right). If you are boarding at a stop between two timepoints, use the earlier time as a guide.
3. Bus stop number.
4. Read down the column to find the time your bus leaves the timepoint.
5. Read across the row to find the time your bus arrives at the next timepoint.
6. If there is a symbol (letter or character) after a time, look for the explanation under the column heading. There may be different symbols for different types of service.
7. A dash in the column means the bus does not serve that timepoint.
8. Refer to the Special Service Information section for any changes in routing or other unique aspects of service on this route.
9. How to Pay
At all times, pay your fare when you board the bus. Pay with cash (exact fare; drivers do not carry change), ticket or valid transfer to the driver. Metro transfers are valid on Metro, only. How to pay *Income Qualified
*On bus routes that are 15 minutes or more, request for a transfer to the driver. Night Stop Program
For your added safety at night, you may request to exit the bus at a location along your route other than a regular bus stop. To do so, please go to the front of the bus and ask your driver at least one block before your desired stop. Safety considerations will determine if the driver can comply with your request. Night Stop service is available only from 8 p.m. to 5 a.m. and is for dropping off riders only. Night Stop is not provided in downtown Seattle.

Metro Customer Service
At Metro’s Customer Services office you can buy ORCA cards, bus passes, senior permits and tad tolls, receive information about bus service, register for disability permits and retrieve items turned into Lost & Found.
