This symbol indicates a change
in service. Watch for it in buses,
at bus stops, and at timetable
displays.

Metro buses have bike racks that
hold three bikes and are easy to
use. There is no extra charge for
your bike. Follow the instructions posted near
the rack. A bike loading video and other bike
information is available on Metro’s website.

Transit Alerts
Metro offers an alert subscription service
via email or text. You choose the route
information you want and we will send it
to you. Go to Metro’s website to sign up.

How to Read a Schedule

1. Timepoints are select bus stops along the route that correspond to times listed under each location and to timepoint dots on the map. Timepoints are listed from the beginning of the route (on the left) to the end (on the right). If you are boarding at a stop between two timepoints, use the earlier time as a guide.

2. Read down the column to find the time your bus leaves the timepoint.

3. Read across the column to find the time your bus arrives at the next timepoint.

4. If there is a symbol (letter or character) after a time, look for the explanation under the heading Timetable Symbols.

5. A dash in the column means the bus does not serve that timepoint.

6. Refer to the Special Service Information section for any changes in routing or other unique aspects of service on this route.

Adverse Weather Information

During adverse weather conditions, Route 893 should be able to operate its normal routing, as shown on the map. In the rare event that Metro declares an emergency, this route will not operate. For additional adverse weather information, call Metro at 206-553-3000, or visit Metro at kingcounty.gov/metro. Sign up for Transit Alerts to stay informed during adverse conditions.

ORCA Card

Metro Transit and eight other Puget Sound transportation agencies (Community Transit, Everett Transit, Kitsap Transit, Pierce Transit, Sound Transit, Seattle Streetcar, King County Water Taxi and Washington State Ferries) use a common fare-payment system called ORCA (One Regional Card for All). The ORCA card works as cash or a pass, and it automatically tracks the value of your fares and transfers, letting you move easily between the participating transportation systems.

Get your ORCA card online at www.orcacard.com, by phone at 1-888-988-6722 (ORCA) or TTY Relay: 711 (1-888-889-6368), at ticket vending machines in Sounder and Link rail stations, or at one of the transit agency customer service offices. The ORCA Web site also provides information on how to use the card, as well as locations at which they can be reloaded with a new pass or additional cash.
