See how easy it is to manage your health by using our many time-saving online tools. Just register at kp.org/wa. Get your care at Kaiser Permanente facilities and take advantage of even more online services.

Take charge of your care

KP.org/wa is your online gateway to great health. When you register, you can securely access many time-saving tools, including tracking your care, getting health information, and more.

Wherever you get care:
• Access your digital membership card
• Refill most prescriptions
• Take an online health risk assessment and receive an action plan
• Review your health plan usage
• View your coverage documents

When you get care at our facilities:
• All of the above
• Email your Kaiser Permanente doctor’s office with nonurgent questions
• View most lab and test results
• Schedule most appointments
• Read after-visit summaries
• Manage a family member’s health

Go to kp.org/wa/member-tour to see how it works.

Go online – for care visits

Care Chat works like instant messaging, connecting you with a Kaiser Permanente care provider who chats with you online. You can get answers to medical questions, advice about a health issue, or guidance on whether you need to be seen. For some common conditions, you can get a treatment plan or a prescription, right on the spot.

Online visits give you a quick diagnosis for some common conditions. Answer a series of questions, and, if you can be helped without an exam, you’ll receive a diagnosis within a few hours. Prescriptions are also available if needed.

Download the Kaiser Permanente Washington app

Once you’ve registered, download the Kaiser Permanente Washington app to your smartphone. Find the links for Apple and Android phones at kp.org/wa/mobile. Then sign in to the app with your member ID number and you’ll be ready to use the secure features anytime, anywhere.

Register now – it’s easy

Just go online from a computer (not a mobile device) and follow the registration instructions. You’ll need your member ID number, which you can find on your Kaiser Permanente ID card.
