Takeaways

- Change doesn’t always begin from the top.
- Taking action begins with education.
- Conservation, restoration, environment, etc. does not have a face.
- Thinking of the future.
Questions?

**Normal human Conversation**

1. Ask them about themselves

**Hey!**

**Oh, hi!**

**How many... apples... have you eaten?**

...Like, in my life?

*Yes.*

...I should go.

*OK.*
