However, KCGIS Center reserves the right to adjust the syllabus of any class at its sole discretion and without notice.

WARRANTY: King County GIS Center has resources and staff with the necessary knowledge, skills, and abilities to provide the training services offered. Notwithstanding, all training services are provided "as-is," without a guarantee or warranty of any kind, either expressed or implied. KCGIS Center is not responsible for the performance of any student after attending a class.

LIMITATION OF LIABILITY: King County GIS Center shall not be liable for any indirect, special, or consequential damages which may arise from its performance under this agreement.

CLIENT RESPONSIBILITY: The customer is responsible to ensure that:

- Students meet the prerequisites and recommendations as outlined in the training class description.
- Students attend each training session at the set schedule and participate in training activities as directed by the instructor.
- Students will make themselves aware of and adhere to the KCGIS Center Training Facility policies related to health, safety, security, and emergencies.
- Students will not copy, in whole or in part, any copyrighted class material acquired during the class.
- The client may substitute a suitably qualified alternate for any student enrolled at any time up to commencement of the class, upon written notification to KCGIS staff.
- Client cancellations will be assessed a \$75 class cancellation fee to cover administrative processing costs. Cancellations must be received in writing by KCGIS Center staff no less than one week before the start of the class. Registered students who cancel with less than one week notice, or who fail to attend the class even though registered, will be billed for the full cost of the class.

KCGIS Center reserves the right to terminate the training class for any attendee it feels is not fit to attend.

REGISTRATION AND PAYMENT: The price for each King County GIS Center training class is published on the KCGIS Center website (see: <http://www.kingcounty.gov/services/GIS/Training/Prices.aspx>). KCGIS Center reserves the right to change the published training price at the beginning of each calendar year, or upon advance notice if costs change significantly at other times.

Payment by check must be received no less than two weeks prior to the scheduled class start date.

All students will receive a confirmation e-mail one week before each class.

CANCELATIONS: If the number of registered students is not adequate to justify the cost of presenting a class prior to the scheduled start date, the class will be canceled and rescheduled at a later date. All registered students will be notified immediately of any cancellations. If a class is canceled by KCGIS Center, registered students will be given the option to register in a future class or to receive a full tuition refund.

If, where notice has not been given but KCGIS Center is not able to start or continue a class as scheduled due to illness or unavoidable absence of the KCGIS Center instructor, or for any other reason beyond KCGIS Center's reasonable control, KCGIS Center will attempt to remedy the situation by either rescheduling the class or refunding tuition.

NOTE: King County GIS Center may include client names in future informational material, unless requested otherwise by client.

CANCELLATION AND REFUND POLICY FOR USVA STUDENTS ONLY:

The King County GIS Center agrees that if a veteran student fails to enter the course, withdraws, or is discontinued at any time prior to completion of the course, the unused portion of paid tuition, fees, and other charges will be refunded or the debt for such tuition, fees, and other charges will be canceled on a prorated basis, as follows:

- 1. REGISTRATION FEE:** An established registration fee in an amount not to exceed \$10 need not be subject to proration. Where the established registration fee is more than \$10, the amount in excess of \$10 will be subject to proration.
- 2. BREAKAGE FEE:** Where the school has a breakage fee, it may provide for the retention of only the exact amount of breakage, with the remaining part, if any, to be refunded.
- 3. CONSUMABLE INSTRUCTION SUPPLIES:** Where the school makes a separate charge for consumable instructional supplies, as distinguished from laboratory fees, the exact amount of the charges for supplies consumed may be retained but any remaining part must be refunded.
- 4. BOOKS, SUPPLIES, AND EQUIPMENT**
 - a. The school will make a refund in full for the amount of the charge for unissued books, supplies, and equipment when:
 - The school furnishes the books, supplies, and equipment,
 - The school includes their costs in the total charge payable to the school for the course,
 - The veteran or eligible person withdraws or is discontinued before completing the course.
 - b. The veterans or eligible person may dispose of issued items at his or her discretion even if they were included in the total charge payable to the school for the course.
- 5. TUITION AND OTHER CHARGES:** Where the school either has or adopts an established policy for the refund of the unused portion of tuition, fees, and other charges subject to proration, which is more favorable to the veteran or eligible person than the approximate pro rata basis as provided in this subparagraph, such established policy will be applicable. Otherwise, the school may charge a sum which does not vary more than 10 percent from the exact pro rata portion of such tuition, fees, and other charges that the length of the completed portion of the course bears to its total length. The exact proration will be determined on the ratio of the number of days of instruction completed by the student to the total number of instructional days in the course.
- 6. PROMPT REFUND:** In the event that the veteran, spouse, surviving spouse, or child fails to enter the course, or withdraws, or is discontinued there from at any time prior to completion of the course, the unused portion of the tuition, fees, and other charges paid by the individual shall be refunded promptly. Any institution which fails to forward any refund due within 30 days after such a change shall be deemed, prima facie, to have failed to make a prompt refund, as required by this subparagraph.
