Please call Robert Bean PE at 206-263-8850.

#### CONSTRUCTION UPDATE

In two weeks, beginning Monday, October 2, King County Parks contractor will begin repairing the broken pavement along SR 202 at the rail road crossing just south of 128th. The construction effort will be done during the evening hours to minimize traffic interruptions. You can expect to see a temporary single lane traffic control beginning **October 2 from 9pm to 5 am**.

#### WHAT'S BEING DONE?

The King County Parks contractor will be removing existing railroad track and hardware, and fully restoring the excavated area with a full depth pavement repair, along with safety striping.

#### WHAT CAN YOU DO?

- Follow posted directional and safety signs
- Be cautious around flaggers
- Maintain a safe distance from the work zone
