King County Parks Regional Trail Alert

Closure on the East Lake Sammamish Trail – Beginning today, Dec. 19

Construction of the next segment of the East Lake Sammamish Master Plan Trail Project begins today, December 19th. In order to ensure safety of the public and construction crew, this will require the closure of approximately 1.3 miles of the trail corridor from SE 43rd Way to SE 33rd Street. Again, anticipated closure is approximately twelve months, during which no one will be allowed on this segment of trail during construction.

Please visit the [project website](#) for ongoing construction updates and additional information.

We appreciate your patience and support as we continue improvements to this important regional trail. If you have any questions, you can contact us at 1-888-688-4886 or via [email](#).
