King County Code requires notification of property owners within at least ¼ mile of the project proposed above, so they can obtain additional information about the proposal and comment if they wish (KCC 20.20).

The Department of Permitting and Environmental Review (DPER) will issue an Environmental Threshold Determination pursuant to the State Environmental Policy Act (SEPA) on this application following a public comment period which ends on October 30, 2017. The responsible official has a reasonable basis for expecting to issue a SEPA Determination of Non-Significance (DNS) on this project. As such, the optional DNS/MDNS notice process is being used pursuant to WAC 197-11-355. The project review process may incorporate or require mitigation measures regardless of whether an EIS is prepared.

Pursuant to KCC21A.22.035, the applicant will conduct an informational community meeting to describe the project to the area residents at the following location:
